

Feathers

I circle around, I circle around
With my long wing feathers as I fly.
I circle around, I circle around
With my long wing feathers as I fly.

I feel the air, I feel the air
'Round my long wing feathers as I fly.
[I feel the air around my wings
I feel the air as I fly]

I circle around, I circle around,
I circle around, I circle around,

[I feel the air under my wings
I feel the air as I fly.]

I circle around, I circle around,
I circle around, I circle around,

[I circle around, I circle around,
I circle around, I circle around.]

I open my wings, open my wings
With the sun above me as I fly.
[I open up my wings
Open up my wings and fly.]

I open my heart, I open my heart,
Feel the sun around me as I fly.

[I open up my heart
Open up my heart and fly.]

I see a rainbow,	I see a rainbow,
I see a rainbow,	I see a rainbow,
I see a rainbow,	I see a rainbow,
I see a rainbow,	I see a rainbow.

I circle around, I circle around
With my long wing feathers as I fly.
I circle around, I circle around
With my long wing feathers as I fly.
