

I Am

**I am Light – I am Love – I am Hope – I am Peace
I am Charity – I am Everything – and – Everything is in me.**

I am Everything this world has to offer and
Everything I need to be.

I am Everything this world can imagine and
Everything is in me.

**I am Light – I am Love – I am Hope – I am Peace
I am Charity – I am Everything – and – Everything is in me.**

I am Everything that life has to offer and
Everything I need to be.

I can handle all tasks I find before me – cause
Everything is in me.

**I am Light – I am Love – I am Hope – I am Peace
I am Charity – I am Everything – and – Everything is in me.**

I am Everything that love has to offer and
Everything I need to be.

I can love myself – and love all others – cause –
Everything is in me.

**I am Light – I am Love – I am Hope – I am Peace
I am Charity – I am Everything – and – Everything is in me.**

**I am Light – I am Love – I am Hope – I am Peace
I am Charity – I am Everything – and – Everything is in me.**
