

Let it Go

**Let it go – let it go – let it go – let it go.
Make amends – talk with your friends. Let it go – let it go.**

Someone let you down,
Someone fooled around,
Someone told you lies,

Let it go.

Someone gave you stress,
Someone made a mess,
Someone wasn't nice,

Let it go.

**Let it go – let it go – let it go – let it go.
Make amends – talk with your friends. Let it go – let it go.**

Someone didn't care,
Someone wasn't fair,
Someone broke your heart,

Let it go.

Someone tripped you up,
Someone tried to stop you
Before the start,

Let it go.

**Let it go – let it go – let it go – let it go.
Make amends – talk with your friends. Let it go – let it go.**

*If you can't tell them – if you can't help them, you can still help yourself.
Maybe they'll learn from you, maybe they'll see it too: They can let go, themselves.*

**Let it go – let it go – let it go – let it go.
Make amends – talk with your friends. Let it go – let it go.**

I can do better, we can do better, the world can do better – **Let it go.**
I can do better, we can do better, the world can do better – **Let it go.**

**Let it go – let it go – let it go – let it go.
Make amends – talk with your friends. Let it go – let it go.**

The world can do better – **Let it go.**
